

# CHICAGO

Our SBA Edge facility located in West Chicago employs the most advanced data center and connectivity technologies. Designed with the flexibility to accommodate the changing needs of the most demanding enterprises, this next-generation internet infrastructure can also support increasingly distributed and mobile computational workloads. We offer high-touch, customized service levels and a culture of innovation to provide you with high-performance edge computing infrastructure.

**State-of-the-Art Infrastructure, Equipment and Connectivity Coverage**

**Flexibility to Accommodate Diverse Data Requirements and Changing Needs**

**Served by Eight Direct Fiber Providers, with Additional Builds Under Way**

**Connection to Over 40 Networks Within United Internet Exchange**

# YOUR DATA STARTS HERE.®

## POWER

High-density power in N, N+1 or 2N configurations

Diversely fed 12.47kV utility feeds with additional high voltage feeds immediately available for expansion

## ACCESS

Eight 4-inch diverse underground fiber entry points connected to two meet-me rooms

## SECURITY

Monitored and staffed 24/7/365 with on-site secured storage

Kevlar and steel mesh-lined interior walls; I-beam structural enhanced load roof

Reinforced concrete exterior wall construction, able to withstand 90-mph winds

Located outside of floodplains and 0.0g earthquake zone

Multi-zone, dual-action fire suppression system with supplementary VESDA detectors

Extensive security, including gated and biometric access, pervasive motion-sensing CCTV; Level-III bullet resistant mantraps and steel REX interlocking doors

Full-featured NOC/SOC monitoring and control; intelligent customized building automation system

Private customizable suites available up to 1,100 square feet; customizable cages available

## CAPACITY

80,000-square foot building located on a 5.8-acre lot

20,000 square feet of flexible raised floor data center space (20,000 square feet of additional data center space for expansion)

21.5-foot ceilings from slab to deck with 36-inch raised floor

## COOLING

Four 35,000-gallon underground water storage tanks (two online)

50,000-gallon chilled water loop

2,800 tons of aggregate cooling capacity

# FLEXIBLE AND SCALABLE DATA CENTER SOLUTIONS, INNOVATIVE TECHNOLOGY

## **Lower Costs & Unlimited Expansion Capacity:**

Our location enables customers to exchange traffic in West Chicago for lower costs and offers comprehensive expansion options for greater network resiliency.

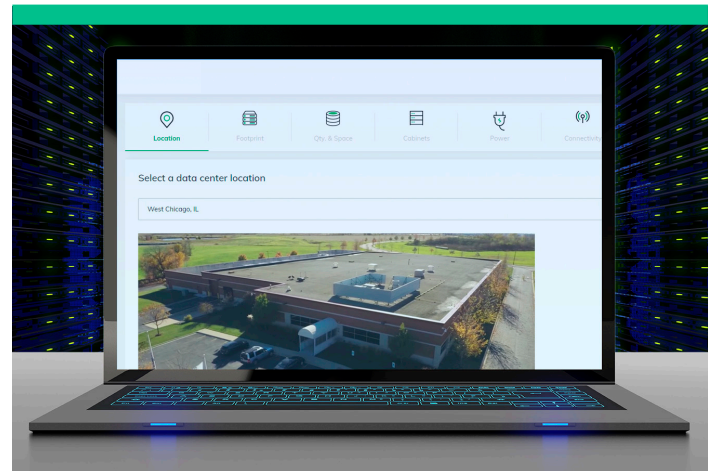

**Stability:** SBA Edge is a subsidiary of SBA Communications, a leading independent owner and operator of wireless communications infrastructure, including towers, rooftops, distributed antenna systems and data centers. With more than 30 years of experience and expertise, SBA is a publicly traded company on NASDAQ (Symbol SBAC) and a member of the S&P 500.

## **Multiple Fiber and Wireless Last-mile Connectivity Options:** Delivered via our partner ecosystem.

**Added Accessibility:** Cloud connectivity to AWS, Azure and Google through Console Connect, PacketFabric, or another software-defined interconnection partner network.

**Open and Fair Access:** Open-IX Association, OIX-2 certified, designating concurrently maintainable systems and a policy of open and fair access.

**Internet Xchange:** Partnered with United IX, a multi-site internet exchange and the only carrier and facility neutral IX in Chicago, making interconnection easy to enable networks, data centers and end users.

## **ONLINE QUOTE IN MINUTES**

Use our online colocation cost estimator, available on our website. Select your location, server/cabinets, power and connectivity – and generate a quote in minutes.

## **SBA EDGE MAINTAINS COMPLIANCE CERTIFICATIONS THAT ARE CRITICAL TO OUR DATA CENTER CUSTOMERS.**

PCI, SSAE 18, Open-IX and HIPAA Certified
