

Local Acquisition as a Service

Effortlessly Distribute Content to Your Audience

Advantages of Partnering with CCR Media:

Local Channel Acquisition as a Service

Tap into our extensive footprint to acquire local channels you are authorized to redistribute.

Multiple Feed Formats

Receive feeds in a variety of formats, customizable to meet your specific platform requirements.

Seamless Integration

Integrate our services with your existing systems and workflows, expediting implementation and simplifying operations.

Cost-Effectiveness

Reduce overhead costs and optimize resource allocation for maximum efficiency.

Existing Infrastructure and Expertise

No need to worry about installing antennas and tuners or modeling the signal contours of every market.

Reliable Delivery

Benefit from low latency content delivery backed by guaranteed SLAs, ensuring consistent and dependable services.

By leveraging our extensive infrastructure and industry knowledge in content acquisition, you can focus on your core business.
