

Subject: WTVF 5.3 (Nashville) to change programming to Bounce TV on September 1, 2021

Dear Cable Operator:

This notice is to inform you of an upcoming change in WTVF's 5.3 station programming. Effective September 1st, 2021, Nashville's WTVF 5.3 station will carry programming from Bounce TV instead of LAFF-TV.

BOUNCE focuses on series and movies geared toward an African American audience ages 25-54. BOUNCE features some of the top dramas, sitcoms and talk shows of today along with originally produced programs not available anywhere else. We anticipate a seamless transition, both technically and with the station's audience.

We thank you for your continued partnership in providing the best possible news, information, and entertainment programming to Middle Tennessee viewers.

If I can be of assistance to you in any way, please do not hesitate to contact me. For specific technical questions, please reach out to Gibson Prichard, Chief Engineer at gibson.prichard@newschannel5.com or 615-248-5255
