Dear Nisha:

On September 1, 2021, Sinclair Broadcast Group will launch several new streams that can affect NCTC members. Specifically, we will be launching Rewind TV on the following streams:

<b>Stream</b>	<b>Market</b>	<b>New Stream</b>	<b>Launch Date</b>
KABB-4	San Antonio, TX	Rewind TV	09/01/2021
WUCW-5	Minneapolis, MN	Rewind TV	09/01/2021
WWHB-CD-4	West Palm Beach, CA	Rewind TV	09/01/2021

Rewind TV is a brand-new multicast network launching in September, featuring classic shows from the 80s and beyond – shows like The Facts of Life, Growing Pains, and Who’s The Boss. We think Rewind TV will be a great fit for your members and their customers! Please advise your applicable members of these changes, so they can plan according to any relevant terms of our contract. As always, please let us know if you have any questions.

Sincerely,

Pat Baldwin  
Director of Distribution
